

Request for Transcript

Mental Health Act 2014 (WA)

Access to Tribunal transcripts is very limited. This is because of the strict privacy and confidentiality requirements surrounding Tribunal hearings under the Mental Health Act 2014. Requests for transcripts made by a patient, or on behalf of the patient by a patient's representative (legal practitioner, mental health advocate, or nominated person), will be granted only in exceptional circumstances.

Please note that section 468 provides that it is an offence to publish certain information about a proceeding of the Mental Health Tribunal. Section 576 provides that it is an offence to disclose certain personal information. Penalties apply.

Please note that a transcript will be sent in audio format in the first instance.
